

WHAT YOU CAN DO AS A VOLUNTEER

- Provide transportation for the animals to & from the vet
- Foster a dog or cat after surgery while the animal is healing
- Participate in either the larger 3-day campaigns or the smaller bi-monthly clinics.

OPERACION COMPASIÓN

FREE SPAY/NEUTER
CLINICS FOR PETS OF
VILLAGERS OF LIMITED
RESOURCES AND STREET
DOGS

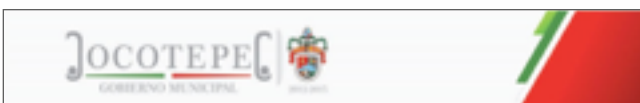

We are a non-profit organization of volunteers who are dedicated to providing free spay/neuter clinics in the Jocotepec municipality in order to reduce animal suffering and help the communities in which we live.

There is such a tremendous need for these clinics in the villages and most Mexican families cannot afford the cost of sterilizing their animals. Also, there are many street dogs with no homes who are suffering daily. The statistics show that when one dog is sterilized, 67,000 lives are saved (in six years with two surviving per litter). When one cat is sterilized, 420,000 lives are saved (in seven years assuming two surviving per litter).

We work closely with the Mexican government agencies such as Secretaria de Salud, local village delegados, and the President of the municipality. **Operacion Compasión** has sterilized over 300 animals.

This is truly a humanitarian mission we are on!

Operacion Compasión now needs volunteers and donors to help us begin this important work! If you are interested, please e-mail us at Operacioncompacion@gmail.com or call 387-761-0041.
